Head Coach Message

Season 2021/2022 has started! After a successful summer full of Pirouette Rhythmic Gymnastics Camps we are now entering another gymnastics season. We are pleased to welcome all new gymnasts to #pirouettefamily! Currently we are running provincial and inter-club competitive, pre-competitive programs as well as 8 recreational classes! More classes and programs to come! Please, read further to find out what exciting events are coming our way!

Pirouette Social Media Challenge

We would like to challenge ALL of our gymnasts with a Fall photo challenge. We are looking for a photo/video of you performing a skill (splits, pirouette, balance, leap, mastery, risk etc.) while being Fall themed. Some ideas are: take a photo outside with the leaves, pumpkins, in halloween costumes, or during your favourite fall activity. Feel free to be creative and interpret this in your own way. Once you have your photo/video, please post it to instagram or Facebook and be sure to tag @pirouetterg and hashtag #prgcfallchallenge. Everyone who participates will be featured on our social media platforms!

Pirouette New Programs

Pirouette RG Club is proud to announce launch of two new programs. We would like to welcome to our studio Baby and Mom and Senior RG programs. We would like Barrhaven community to have an access to variety programs according their interest and needs. Please, check Pirouette social media for detail info!

Canadian Gymnaestrada 2022 (Edmonton, Alberta)

We are happy to announce that Pirouette Rhythmic Gymnastics Club will be attending the 2022 Canadian Gymnaestrada in Edmonton, Alberta this summer! The Canadian Gymnaestrada is a nation-wide Gymnastics for All event hosted by Gymnastics Canada every 4 years. The event provides a national platform for groups of 10 or more gymnasts from across the country to come together and share their passion and love of gymnastics in a non-competitive environment. Our intent is to have our entire competitive and pre-competitive team participate. Any comp or pre-comp gymnast born in 2012 or earlier is eligible to be a part of this incredible experience. Our goal is to send a large strong team to showcase all of our talented gymnasts. Training will begin after the Christmas holidays in January (1x a week, date and time TBD). Stay tuned for an email this week for your intent to participate and further information. We are so excited to start this amazing journey with you all!

Pirouette's Fundraising

FundScrip - this has been part of our pre-Christmas fundraising for the past couple of years. Parents receive a form with various gift card options. You transfer the amount you ordered to Pirouette and in a week or so you will receive full value of your gift cards! Pirouette will do two round of orders this year. Deadlines will be November 14th and December 5th.

FundDrive for Value Village - Pirouette will collect your "*Soft Goods* – clothing, shoes, bed & bath & accessories" and these items will be donated to Value Village through their fundraising program for non for-profit organizations.

Welcome new gymnasts!

Welcome everyone and thank you for joining the Pirouette recreational program. We hope that your daughter enjoy the classes and especially learning about all RG apparatus. Ribbons were particular favour.

Please, make sure to pick up your daughters in the hallway. It is important that all children and paired with a parent when they are leaving their class.

TIP: It is not recommended to put Pirouette bodysuit in a dryer ;)

HALLOWEEN WEEK

During the week October 25-31, pre-competitive and recreational programs are encouraged to wear their Halloween costume to class! Halloween classes will be full of fun and games. They will also receive a treat in the end of the class!
